Results and reward!

# AGENT X

Your mission is to restore the power in the city!

## How It Works?

Step into the shoes of secret agents in Agent X, an outdoor augmented reality escape adventure. Equipped with a tablet, your team will explore the city while scanning AR markers, uncovering hidden clues, and solving a series of thrilling puzzles. Each group will have everything they need to face the mission, using digital tools and immersive elements that will keep the agents fully engaged in the adventure.

## The Mission:

A mysterious organization is threatening global security. As elite agents, your task is to track their movements across the city, collect vital intel, and neutralize their dangerous plan before it's too late.

You have limited time to decode secret messages, unlock encrypted systems, and outsmart the enemy. Only through sharp observation, fast decision-making, and teamwork can you succeed in this high-stakes mission!

- ✦ 14:00 - 14:15 Briefing & teams
- ✦ 14:15 - 16:15 Escape Game
- ✦ 16:15 - 16:30 Results and reward!

## How It Works?

Get ready for a thrilling race against time. This outdoor escape game combines augmented reality, a kit full of gadgets to bring puzzles to life in real-world locations. In teams of 6-10, you'll become secret agents on a mission to stop a virus threatening global water supplies. Equipped with all the gear you need, it's up to you to save humanity.

## The Mission:

In teams you'll become covert operatives on a critical mission: stop a virus contaminating global drinking water. Equipped with a secret agent wallet filled with gadgets and essential tools, you'll race against time to save humanity. The team that completes the mission will be awarded a special trophy in recognition of their success.

## Sample Program

- ✦ 14:00 - 14:15 Presentation
- ✦ 14:15 - 16:15 Treasure Hunt
- ✦ 16:15 - 16:30 Q&A

## How It Works?

An armed heist has struck outside the National Museum of History and Art. The target: the legendary Golden Scale of Melusina, along with ancient coins from Luxembourg's origins.

The thief escaped on foot toward Constitution Square, and the treasure is now hidden somewhere in the city.

Your mission starts now: track it down before it's too late.

## The Mission:

Your group, consisting of 6 members, will transform into treasure hunters with a mission to complete within 2 hours, or risk the treasure being lost forever!

With a game application, you'll embark on a journey through the city of Luxembourg, piecing together enigmatic clues and decoding the secrets to unveil the treasure's hidden location, concealed by the thieves responsible for the heist.

Your intuition, wits, and perseverance will be put to the test.

- ✦ 16:15 - 16:30 Q&A  
Results and reward!

## How It Works?

Get ready for a thrilling team adventure across Luxembourg! In the Tram Rally Challenge, teams race against time to unlock tram stations, solve riddles, and outsmart a roaming controller.

Rain or shine, this hybrid indoor-outdoor experience will have you exploring the city, cracking puzzles, and staying one step ahead of the chase.

## The Mission:

In this 2-hour action-packed rally, your group is split into teams, each equipped with an iPad and a map to navigate the city's tram network.

Your mission: capture as many stations as possible by solving clues and hidden puzzles at each stop. The more stations you unlock, the more points you earn.

But stay alert, a controller is on the move, chasing teams from station to station. If you get caught, you'll lose valuable points. Will you take risks for big rewards or play it safe and stay under the radar? The choice is yours.

## How It Works?

Unique ghost-hunter team building activity. Work in teams, solve puzzles, and uncover clues in a fun indoor/outdoor adventure.

The clock is ticking. As newly recruited Ghost Hunters, your team must explore the area, uncover hidden clues, and solve mysterious puzzles. Each discovery brings you closer to brewing a powerful potion capable of neutralizing the creatures haunting the location and threatening the city. Speed helps, but teamwork is the real key to success.

## The Mission:

In this immersive and interactive challenge, teams must collaborate, think creatively, and communicate effectively to solve a series of puzzles before time runs out. Only by combining your strengths and working together will you gather the ingredients, complete the ritual, and save the city from the supernatural threat. Are you ready to take on the challenge and prove your team has what it takes to become true Ghost Hunters?

Optional:

**BBQ:** 60€ pp

**Drinks Package:** 25€ pp

## Sample Program

- ✦ 14:00 - 14:15 Presentation
- ✦ 14:15 - 16:00 Raft Building
- ✦ 16:00 - 17:30 BBQ Experience

## How It Works?

Building a raft with your team is a real challenge! We provide the materials and the support, you build your own raft with your team and do a challenging race on the lake.

## The Mission:

After a briefing by our professional team, the participants will be divided into groups. Several rafts can be built with 7-15 teams and can be lowered into the water.

Teams will build their rafts using a mix of materials such as barrels, wood, and ropes. This stage is a real test of "team spirit," requiring participants to pool their varied talents to craft the best raft. Once all teams have their vessels ready, a challenging course will be organized on the lake. Who will navigate the waters successfully and triumph in the race?

## Optional services:

•**BBQ Experience:** To conclude your event in a memorable fashion, we are delighted to present a live BBQ by the lake. Immerse yourself in the scenic beauty while enjoying a gourmet barbecue, perfect for unwinding after an eventful day.

•**Transportation:** We provide private bus transportation, ensuring seamless travel to and from the venue.
